if ordered by 7pm the night before, packed lunches are also available for £5. including: filled rolls, crisps, fruit, chocolate bars, cereal bar and drink. if you bring your flask with you to breakfast, we are happy to fill it with water (hot or cold), tea or coffee for just £1.

free wireless internet access is available to all customers – ask at the bar for a password. ironing facilities are also available on request.

guests are requested to vacate their room by 9.30am on their departure day.
